October 24 – 2 Kings 2:1-18 – Who Are You Gonna Call?

Discussion Questions:

1. What's one thing that stood out to you from the sermon?
2. Some discipleship questions: How are you doing spiritually? How's your relationship with God? (give each person an opportunity to share)
3. The sermon this week was all about who you turn to when you need help. A helpful phrase describing this phenomenon in the lives of Christians is "functional savior." Maybe you would quickly admit that Jesus is your Lord and Savior, but functionally, on a day-to-day basis, there are other things or people you turn to for ultimate help. What are some functional Saviors in our culture?
4. Immediately after getting anointed king, Ahaziah fell through a lattice. Have you ever had an unexpected accident that had catastrophic results? What happened? How did God show up in that situation?
5. King Ahaziah sought other gods, and was told by Yahweh that he would surely die. Have you ever encountered a truth from God or his word that completely disrupted your life?
6. What are some ways we can train ourselves to cry out to God first when hard times hit?
7. What has the story of Elijah meant for you so far? What is the significance of Elijah in the entire story of God as told in the Bible?
