

# Life Group Discussion Guide

## March 10 – 1 Corinthians 5 – Church Discipline

### Icebreaker:

What is the last new thing you learned outside of work?

### Discussion Questions:

1. Begin by reading **1 Corinthians 5:1-6, 9-13** together.
2. Church is for sinners. However, exposure to Jesus is supposed to make a distinct difference in the lives of those who love Him. Jesus pardons us from sin but doesn't stop there. What else does Jesus do for His people?
3. What is the difference between stumbling and unrepentant sin? What are the two Biblical approaches to unrepentant sin?
4. The sermon compares sin to a mousetrap. What are other good visuals for the seductive destruction that sin offers?
5. Society is very quick to condemn those who "judge" others. Is it true that Christians are called "not to judge"? Reflect on the 1 Corinthians 5 passages again if clarity is needed. How is Christian judgement different from the world's?
6. Due to the seriousness of sin and its consequence of death, have you ever confronted someone about their sin (be mindful of privacy in you answer)? Or, because of the stakes of the conversation, have you avoided going to the Christian friend you have who is ruining their life?
7. If a close contact in the church were to be disciplined by leadership, how do think you would respond? What does it take to identify with Christ and the Eldership while continuing to love the disciplined individual?
8. Promoting healing, growth, and maturity are some of the reasons the church intervenes in the lives of individuals. What effect does this action have on the church itself?

9. Is there any chance that you're in the middle of sin and you've stopped listening? If you needed correction, how would you want it addressed by your Christian family and friends? How would you hope you would respond?
