

Life Group Discussion Guide

August 3 – 1 Samuel 30 & 31 --- When Loss is More

Icebreaker:

What's a time you thought something was a total disaster, but later you were able to laugh about it?

Discussion Questions:

1. What stood out to you most from the sermon? Was there a particular Scripture, quote, or story that personally impacted you?
2. When have you faced a loss, setback, or disappointment that later turned out to be a setup for something greater? How did you see God's hand in it, either in the moment or in hindsight?
3. **Read 1 Samuel 30:7-8.** David sought the Lord before taking action. What helps or hinders you from seeking God first when you're facing a crisis or difficult decision?
4. How have you experienced God's provision through adversity, rather than from adversity? In what ways has suffering deepened your dependence on Him?
5. What's your typical reaction when life doesn't go as planned? What's your "go-to move" when things break, fall apart, or seem out of your control?
6. **Read 1 Samuel 30:24-25.** David shared the plunder equally with all 600 men, including the 200 who were too exhausted to fight. What does this decision teach us about leadership, fairness, and community?
7. Why do you think generosity is such a powerful way to gain influence? Who in your life has grown in influence with you because of their generosity?
8. Think about a time you had to wait on God for a long season. What did you learn about His timing and your own heart during that wait?

9. **Read Philippians 3:7–8.** What “losses” have helped you gain a deeper relationship with Christ?
10. What is your current ‘Ziklag’? In which of the four areas from the sermon (seeking direction, trusting for provision, choosing generosity, or waiting patiently) do you sense God calling you to grow?
