

Life Group Discussion Guide

November 21st – Celebration Sunday

Icebreaker Question:

1. What are some things you can celebrate that God has done in your life over the past year?

Sermon Discussion:

2. Several stories were shared from our church of ways God has moved and stories we are celebrating from this year. Did any of them stand out to you?
3. Luke 10:20 commands us to rejoice that your names are written in heaven. Do you have any stories we can celebrate of someone you shared your faith with this year and their name is now written in heaven? If not, who is God prompting you to share your faith with so their name can be written in heaven?
4. James 1 encourages us to celebrate in the midst of hard times. Pastor Luke encouraged us that we are to rejoice when hard times come because it gives us an opportunity to grow our faith. How have you continued to grow your faith through your faithful stewardship in these areas of your life over this past year? In which area are you most faithful? Least faithful?

5. Luke 15:4-7 tells us to celebrate when sinners repent. Salvation comes through the forgiveness of sins. Once justified, daily introspection and repentance moves us along the path of sanctification. What habits have you developed for daily introspection and repentance?
