

Life Group Discussion Guide

October 8 – Partnership in the Gospel Phil. 1:3–11

Icebreaker:

1. What makes a great marriage partner? Business partner?
2. What's something you started but never finished?

Discussion Questions:

3. Paul expresses gratitude for the Philippian believers in these verses. What are some specific things he is thankful for, and why are they important?
4. What does it mean to "partner in the gospel" (verse 5)? How can we apply this concept in our own lives and within our church communities? Who are some people you would consider partners in the Gospel at Legacy?
5. In verse 6, Paul is confident that "he who began a good work in you will bring it to completion." How does this statement encourage you?
6. How can we grow in love and knowledge as mentioned in verse 9? What role does discernment play in the life of a believer?
7. Share examples of how you've seen the fruit of righteousness (verse 11) manifest in the lives of believers. What impact does it have on individuals and communities?
8. Discuss the idea of being "filled with the fruit of righteousness." What practical steps can we take to cultivate righteousness in our lives?
9. How can we maintain a mindset of gratitude in both good and challenging circumstances, as Paul does here?
10. What do you think are the main obstacles to partnering effectively in the gospel, and how can we overcome them?
